Assistant Agricultural Fieldman

Summary of Position:

The Assistant Agricultural Fieldman shares the responsibility for the development, coordination and delivery of Agricultural Service Board (ASB) and Recreational Parks programs in accordance with policies and bylaws established by County Council, and is responsible for the delivery of the agricultural and environmental extension programming as follows:

- Responsible for the seasonal operations of the Agricultural Service Board (ASB) and Recreational Parks programs, as well as assisting with the development and delivery of all agricultural and extension programming.
- Responsible for the Shelterbelt Enhancement Program, Weed Control program, Nuisance Wildlife Control program, herbicide application, inspection and maintenance of tankloading facilities, and to assist the Agricultural Fieldman to coordinate and perform inspections of all Seed Cleaning Plants.
- Ensures the maintenance of all ASB and Parks department equipment in coordination with the Public Works shop staff.
- Assist in the Agricultural Service Board (ASB) agenda preparation, including preparing background information, alternatives and recommendations that require direction from the Board.
- Assist in the planning and budgeting of the above programs in consultation with the Agricultural Service Board, other department staff and the Chief Administrative Officer.
- Assist in the monitoring of expenditures and the analysis of program costs and effectiveness to ensure compliance to the budget on an ongoing basis.
- Responsible for the supervision, training and coordinating the activities of all seasonal staff for the Agricultural Service Board (ASB) and Recreational Parks programs.
- Acts as municipal inspector under the Weed Control Act; Pest Control Officer under the Agricultural Pests Act; and Soil Conservation Officer under the Soil Conservation Act.
- Provides leadership and works with department staff to develop and retain highly competent, customer service-oriented staff through selection, compensation, training and day-to-day supervisory practices which support the County's vision.
- Make recommendations to the Agricultural Fieldman regarding performance management, including hiring and/or dismissal of seasonal staff.
- Maintains membership in good standing with the Association of Alberta Agricultural Fieldmen.
- Ensures a safe work environment for department personnel at all work sites and contracted project sites by ensuring compliance with Flagstaff County policies, the Health and Safety program and the Human Resources guidelines and procedures.
- Such other duties and responsibilities as may be assigned from time to time by the Supervisor.

Qualifications:

- A minimum of three (3) years of related experience in an agricultural supervisory role with a strong working knowledge of the principles and practices of supervision to enable him/her to perform his/her duties completely and effectively.
- A minimum of a post-secondary diploma in agricultural/environmental related discipline.
- Skilled in planning and organizing work, supervising staff and delegating work effectively.
- Ability to develop clear and concise reports, correspondence and other written materials, with excellent communication skills.
- Ability to establish and maintain effective working relationships with management teams and staff, contractors and others encountered in the course of work.
- Thorough knowledge of agricultural practices with a strong understanding of the principles and practices of public administration, including budgeting, purchasing and the maintenance of public records, organization and functions of an appointed Committee.
- Valid driver's licence.
