Information Tips for Webmap Beginners

1. The Flagstaff County Webmap URL is http://webmap.flagstaff.ab.ca:8080/
2. The Webmap site requires Internet Explorer
3. The Webmap site creates pop-ups, please add this site to an exclusion list or turn off pop-up blockers while working on the site.
4. Please read and understand disclaimer before use. This comes up after linking to the public login.
5. Please ensure the Internet Explorer Window is set to 100% zoom. Improper Scaling can occur when set to any other setting.
6. If map does not fill entire space on the right side of the screen your Internet Explorer Window may need to be refreshed.
7. For further details refer to the information published within the program under the help button. See diagram on where this is accessible.
