2022-2025 Strategic Plan

Council approved the 2022-2025 Flagstaff County Strategic Plan as presented, which includes:

1. Our Vision: To be a strong, vibrant, and sustainable regional Community of communities, contributing a rural essence and quality of life.
2. Our Principles: Council has defined three guiding principles that flow throughout all their priorities. These principles will become a part of all planning activities and considered in all operational decision making:
 - a. Collaboration – The County will endeavour to work collaboratively with the communities within Flagstaff County, their neighbours, local businesses, non-profit organizations and through provincial and federal programs in the delivery of programs and services.
 - b. Fiscal Leadership – Flagstaff County will balance the servicing and program needs of the community with consistent, prudent and transparent financial management.
 - c. Environmental Responsibility – The County will consider environmental impacts on all planning and development decisions and in the operations of their programs and services.

Public Input for 2023-2026 Strategic Plan
