ROADSIDE BRUSH & WEED CONTROL

The Flagstaff County Agricultural Service Board will soon begin applying herbicides to municipal right-of-ways to control noxious weeds and brush. Please note that spraying does not occur 500 feet before and after a residence.

Residents who do not wish to have herbicides applied to roadside right-of-ways adjacent to their property this year must sign a "No Spray" Agreement and put up new signs prior to June 1, 2022. New

"No Spray" signs are available for pickup at the Flagstaff County office. Agreement forms are available at the Flagstaff County office or at www.flagstaff.ab.ca. "No Spray" Agreements transfer the responsibility for roadside weed and brush control from Flagstaff County to the landowner. "No Spray" Agreements are valid for 5 years.

For more information on the Roadside Brush/Weed Control Program, contact the Ag Service department at 780-384-4138.

Roadside Haying Permits Available

It is that time of year again when we start thinking of feed for our animals and where we are going to source it. Flagstaff County has haying permits available for landowners to hay along municipal right-of-ways to cut and bale hay for themselves.

Landowners must apply for a Roadside Haying Permit from Flagstaff County prior to May 15. The landowners must have their haying completed on the municipal right-of-ways by July 15. All permits are valid for one year and annual renewal is required. If no permits are obtained, the municipal right-of-ways will be mowed by Flagstaff County.

For an online application form or to access a printable PDF version of the Roadside Haying Permit, please visit:

It's official! We've declared Economic Development Week in Flagstaff County.

Thanks to our elected officials for recognizing the value of the profession.

Economic Development Week was created by the International Economic Development Council (IEDC) in 2016 to increase awareness of local programs that create jobs, advance career development opportunities, and improve communities' quality of life.

Our Economic Development department focuses on regional priorities and tactics to stabilize the population with investment attraction, business retention, entrepreneurship, and signature tourism development. Strategic priorities identified in our five-year economic and community development strategic plan are:

- #1. Business Retention and Expansion
- #2. Attraction and Retention of Citizens
- #3. New Business Start-ups
- #4. New Business Investment
- #5. Economic Development as a Supportive Team Member

For a copy of our five-year Economic and Community Development Strategic Plan, please visit: <https://bit.ly/EcDevStratPlan>.

Public Works Updates

Please refer to www.flagstaff.ab.ca for up-to-date road work happening throughout the County.

Dust Suppressant

Crews will be spraying strategic locations and arterial residential locations with MG 30 dust suppressant in early May. All MG 30 dust suppressant applications are dependent on weather conditions.

Road Recovery

Crews will be working on the following shoulder pulling project the week of May 9th:

- East of Alliance on Range Road 113, from Township Road 410 to Secondary Highway 602 for 4.0 miles

Public Works Services

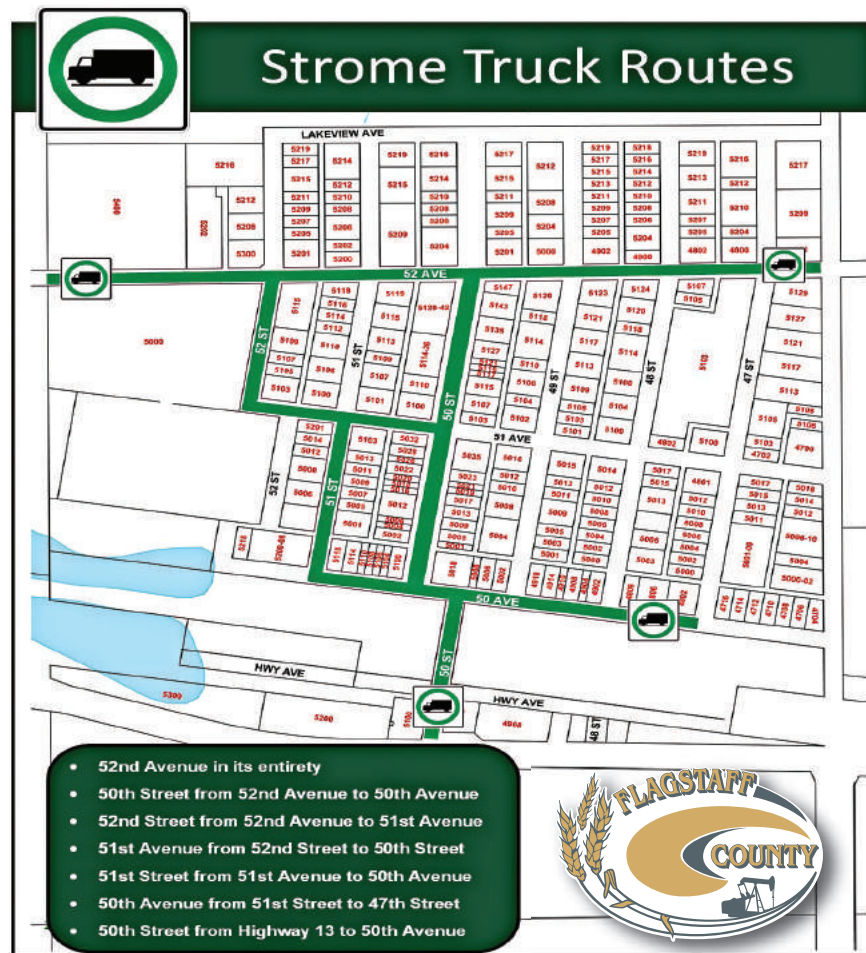

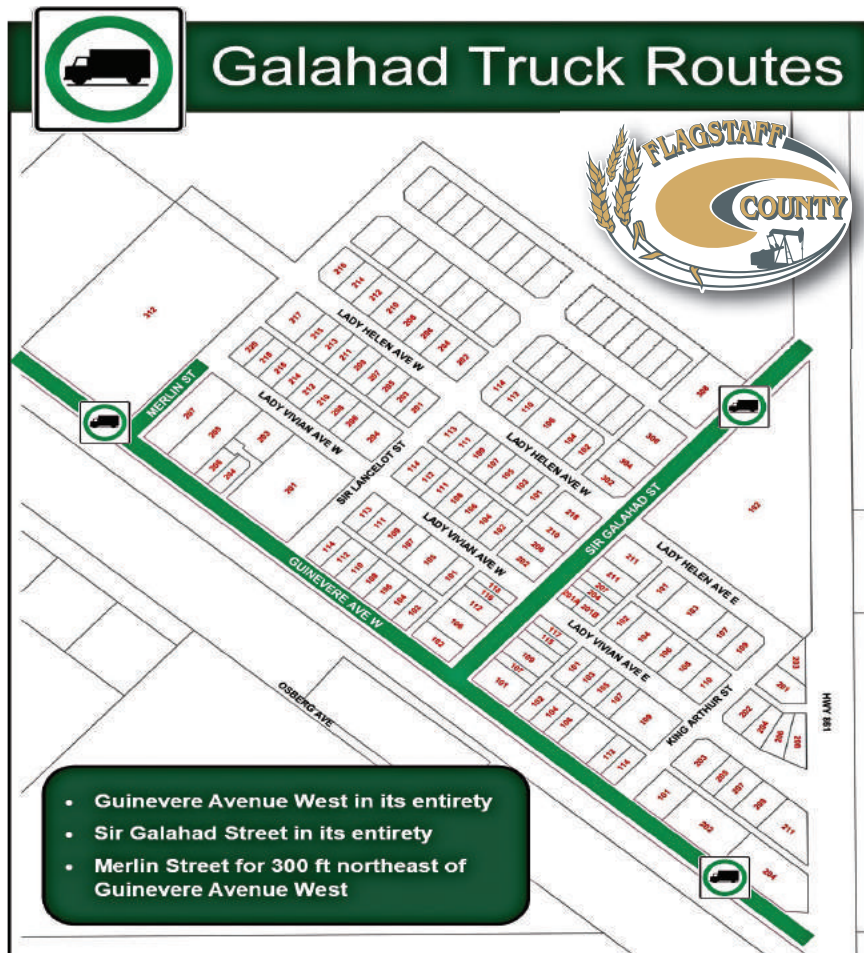

Please visit the Flagstaff County website at flagstaff.ab.ca for information regarding Gravel Sales, Residential Laneway Maintenance, Road Maintenance, Hamlet Services, and more.

Please keep in mind that our seasonal crews will be out working on our roadways and to use extreme caution while travelling on these roads while they are being maintained in any way. We thank you in advance for your cooperation during this season.

Truck Routes

The following maps highlight designated truck routes in Galahad and Strome.

Establishment of Truck Routes

Truck routes have been established to provide direction for heavy truck traffic in the hamlets to preserve the road surface.

No vehicle larger than a one (1) ton or combination of vehicles having a gross vehicle weight (GVW) in excess of 4,500 kg shall enter within the Hamlets of Strome and Galahad except on designated truck routes as specified in Schedule C of the Traffic Bylaw.

Should a situation arise whereby a vehicle larger than a one (1) ton or combination of vehicles having a GVW in excess of 4,500 kg must travel on a hamlet street, not designated as a truck route, a person or company may apply to Flagstaff County for an Overload/Weight Restriction Agreement (please see the Flagstaff County website for more information). Delivery vehicles while making a delivery and recreational vehicles are exempt.
