By offering a one-day entrepreneurial leadership camp at the Hardisty Lake United Church Camp facility, our initiative aims to inspire and empower the young minds of Flagstaff Region. The day will be filled with fun activities to introduce youth to the amazing world of entrepreneurship in a fun and impactful way! By equipping youth with essential skills for starting and managing their own businesses as entrepreneurs, as well as functioning effectively as intrapreneurs within a team, we prepare them to navigate the complexities of the modern business world. Fostering creativity, problem-solving abilities, and critical thinking, this mindset extends beyond business, developing communication, teamwork, and leadership skills.
