Our fight against leafy spurge is going airborne.

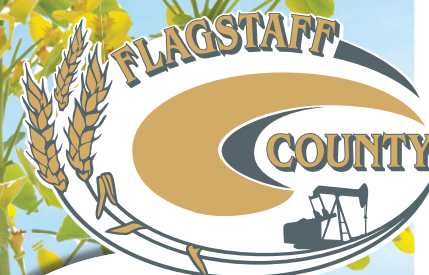

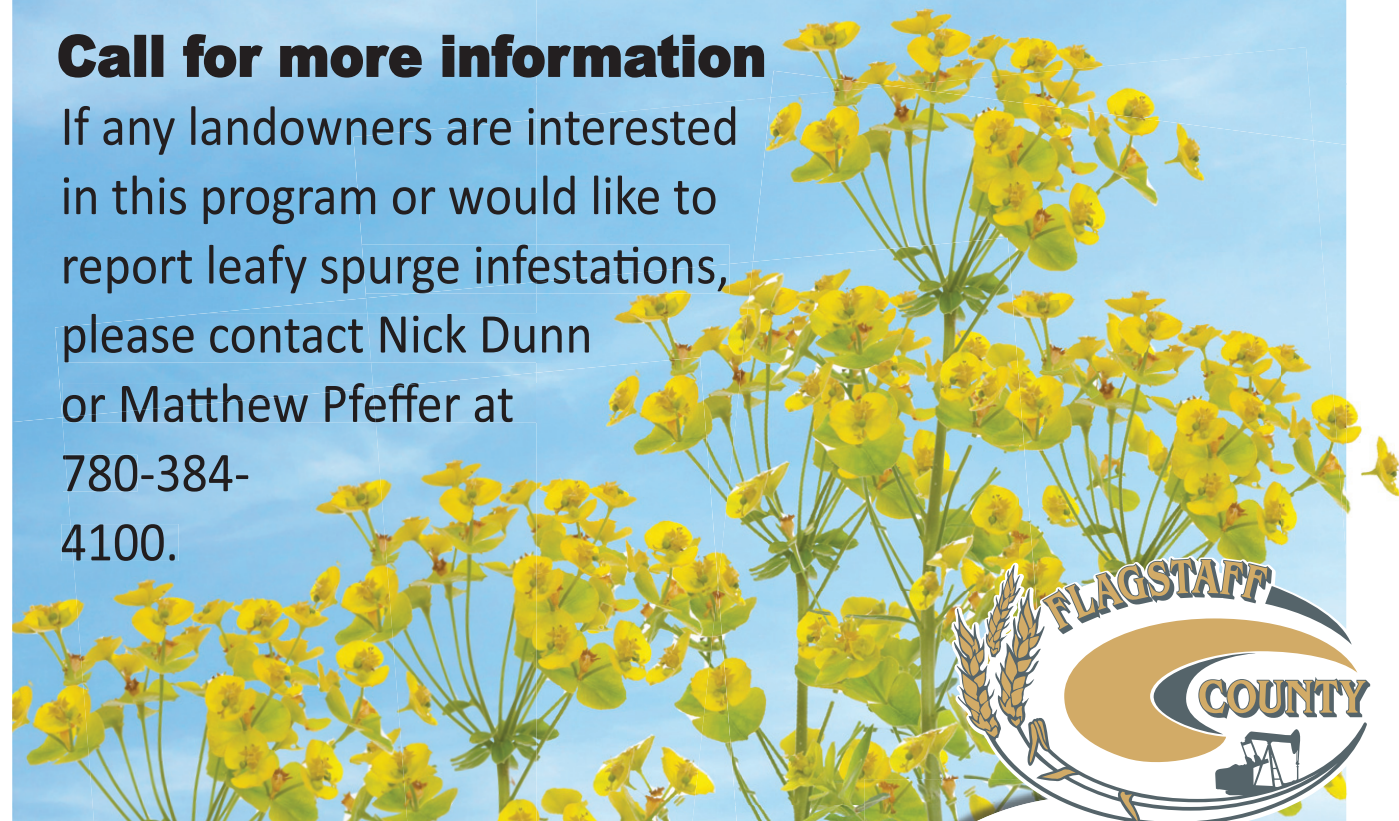

Propelled by the success the M.D. of Provost has had with aerial spraying, we are following suit with a similar program highlighted by the following:

- A 50/50 cost-share between the County and landowner.
- Treatment by contracted helicopter services to areas over 10 acres and areas that are inaccessible.
- Treatment by in-house resources to accessible areas under 10 acres.

Call for more information

If any landowners are interested in this program or would like to report leafy spurge infestations, please contact Nick Dunn or Matthew Pfeffer at 780-384-4100.
