

# Recreation

In 2023, \$641,268 in recreation funding was distributed to the 10 Agricultural Societies within the region. The amount of funding provided to each society is based upon a formula of the percentage of the rural population applied to the total population of each community. Flagstaff County provides 90% grant funding to Agricultural Societies and releases the remaining 10% only if all conditions of the grant are satisfied by the specified deadline of September 30th. Some Ag. Societies have chosen to distribute the remaining 10% in 2024.

We are appreciative of the Agricultural Societies for their efforts in distributing this funding within our region.
