2024 Municipal Census

**Help us to serve
you better.**

**Enumerators are now going door-to-door
to all rural and hamlet addresses in
Flagstaff County as part of our
2024 Municipal Census.**

To avoid an in-person visit to your residence, please complete the census at:
<https://censusalberta.ca/flagstaffcounty>,
or by calling 780-384-4100.

You will need the two-part secure access code that was mailed to you in late April.

The only information we require is the number of residents in your dwelling, and their age and gender. Please note that we are using the census to complete an Electoral Boundary Review and to help support Municipal Services offered.

As this is our first census in several decades, your participation is crucial in helping us plan for the evolving needs of Flagstaff County.

Years of population change, including the more recent incorporation of the Hamlets of Strome and Galahad, have left an uneven distribution throughout our seven electoral divisions. It's time to redraw our electoral boundaries to give residents the best possible municipal representation. **Please help us to serve you better.**

TAXES MAILED

Watch for your Tax & Assessment Notice in the mail. All notices will be mailed **Thursday, May 30, 2024**. If you have not received your notice by **Monday, June 17, 2024**, please contact our office at 780-384-4100. If you require a receipt to be sent to you, please indicate on the bottom of the notice when you return your payment. Tax due date is **Tuesday, October 15, 2024**.

“The process took less than two minutes once I clicked on the link. Was very easy to navigate through.”
