2024 Municipal Census

**Help us to serve
you better.**

The 2024 Flagstaff County Census is now open!

In case you missed it, census letters have been mailed to all rural and hamlet addresses in the County.

In your letter, you will receive a two-part secure access code that will allow you to complete the census at:

<https://censusalberta.ca/flagstaffcounty>

It's quick, secure and the preferred way to participate.

The only information we require is the number of residents residing in your dwelling, and we are asking for age and gender to complete our demographic profile.

By participating online on or before May 19, you will:

- Avoid an in-person visit to your residence;
- Be entered into five draws for \$100 in Flagstaff Bucks.

You are also welcome to call the County office at 780-384-4100 to complete the census over the phone.

Please note that we are using the census to complete an Electoral Boundary Review and to help support Municipal Services offered.

As this is our first census in several decades, your participation is crucial in helping us plan for the evolving needs of Flagstaff County.

Years of population change, including the more recent incorporation of the Hamlets of Strome and Galahad, have left an uneven distribution throughout our seven electoral divisions. It's time to redraw our electoral boundaries to give residents the best possible municipal representation.

If you do not complete the census online by May 19, an enumerator will visit your residence to gather the essential data. **Please help us to serve you better.**
