2024 Municipal Census

**Help us to serve
you better.**

**Enumerators are now going door-to-door
to all rural and hamlet addresses in
Flagstaff County as part of our
2024 Municipal Census.**

To avoid an in-person visit to your residence, please complete the census at:

**<https://censusalberta.ca/flagstaffcounty>
or by calling 780-384-4100.**

You will need the two-part secure access code
that was mailed to you in late April.

The only information we require is the number of residents in your dwelling, and their age and gender. Please note that we are using the census to complete an Electoral Boundary Review and to help support Municipal Services offered.

As this is our first census in several decades, your participation is crucial in helping us plan for the evolving needs of Flagstaff County.

Years of population change, including the more recent incorporation of the Hamlets of Strome and Galahad, have left an uneven distribution throughout our seven electoral divisions. It's time to redraw our electoral boundaries to give residents the best possible municipal representation. Please help us to serve you better.

Farmer Pesticide Course

Satellite Mulch Sites

Flagstaff County residents can now help themselves to **Free wood chips** at the satellite mulch sites in Strome (located on the south side of the old seed cleaning plant) and Galahad (at the school grounds beside the waste bins). A satellite mulch site will also be established near Sedgewick at a later date.

Wood chips are available on a first-come, first-served basis.
